MATOSHI
SERVICES

Matoshi Services

www.matoshiservices.com

1. Initial Consultation:

We kick-start your siding project with a detailed consultation to understand your vision, preferences, and budget. This phase is crucial for aligning our services with your expectations.

2. Site Evaluation:

Our team conducts a comprehensive evaluation of your property to determine the condition of existing siding and assess the scope of work required for the installation of new siding.

3. Material and Design Selection:

We present you with a plethora of siding options including vinyl, wood, fiber cement, and more. Our experts will guide you in selecting the ideal material and design that complements your property's aesthetics.

4. Detailed Estimate:

Transparency is key, and we provide you with a detailed, written estimate that outlines the costs, timelines, and scope of work, ensuring no hidden fees or surprises.

5. Siding Installation:

Our seasoned professionals will meticulously install your chosen siding, ensuring proper alignment, sealing, and finishing. Quality and attention to detail are paramount in this phase.

6. Inspection & Quality Control:

After the installation, we conduct a thorough inspection to verify that the siding is installed correctly and meets industry standards. Any adjustments needed are made promptly.

7. Cleanup & Final Walkthrough:

We believe in leaving your property pristine; hence, a thorough cleanup follows. We then have a final walkthrough with you to ensure your complete satisfaction with the new siding.

8. After-Service Support:

Our commitment to you extends beyond the project. We are available for any queries, maintenance, or support that you may need for your siding in the future.

Experience the transformation that high-quality siding can bring to your home. With Matoshi Siding Services, you are investing in curb appeal, durability, and peace of mind.

Trust us to envelop your home in beauty and protection.
