MATOSHI
SERVICES

- 
- 1. Initial Consultation & Concept Development:** We begin by understanding your desires, preferences, and the functionality you aim to achieve through the decking project. We offer expert advice on design and materials that suit your space.
- 2. Site Survey & Measurements:** Our team conducts an on-site survey, takes measurements, and assesses the condition of the area to understand the technical aspects that need attention during the decking process.
- 3. Design Proposal & Quotation:** We create a customized design proposal reflecting your vision and provide a detailed, transparent quotation that outlines costs, materials, and timeframes for the project.
- 4. Material Selection & Planning:** Guiding you through the selection of materials, finishes, and accessories, we ensure they align with your design goals and budget. We also establish a project timeline and schedule.
- 5. Deck Construction:** Our craftsmen meticulously execute the construction, ensuring sturdy foundations, precise installations, and quality finishes. We adhere to all safety and building regulations.
- 6. Quality Checks & Final Adjustments:** Upon nearing completion, we conduct thorough quality checks and make any final adjustments to ensure every detail of the deck is perfect and meets your expectations.
- 7. Client Walkthrough & Handover:** We present the completed deck to you and provide maintenance tips to ensure its longevity. We take pride in your satisfaction and the transformation we deliver.
- 8. After-Service Support:** Our commitment doesn't end upon completion; we remain available for any follow-up queries or support to ensure your deck continues to serve as a sanctuary for years to come.
