- 
- 1. Initial Consultation & Material Selection:** We initiate the process with a detailed consultation to understand your vision, preferences, and requirements for flooring. We offer expert guidance on material selection, designs, and finishes.
 - 2. Site Assessment & Measurements:** Our team visits your site to assess the current flooring condition, take precise measurements, and address any subfloor preparation needs.
 - 3. Customized Proposal & Quotation:** We develop a tailored proposal that reflects your preferences and the technical requirements of the space. A transparent quotation outlines materials, costs, and project timelines.
 - 4. Floor Preparation & Installation:** Our craftsmen meticulously prepare the subfloor and install your chosen flooring material with precision and attention to detail, ensuring a smooth and level finish.
 - 5. Quality Finishing & Treatments:** We apply finishing touches, treatments, or coatings that enhance the aesthetic appeal and durability of the floor. This ensures long-lasting beauty and protection.
 - 6. Cleaning & Inspection:** We perform thorough cleaning to remove debris and dust, and conduct an inspection to ensure the flooring meets quality standards and your expectations.
 - 7. Client Walkthrough & Aftercare Guidance:** We provide a final walkthrough of the finished floor and offer guidance on maintenance and aftercare to ensure your floor remains in pristine condition.
 - 8. After-Service Support:** Your satisfaction is our priority, and we remain available for any follow-up queries, support, or additional services to ensure your flooring continues to impress.
