Trusted Company

MATOSHI
SERVICES

- 
- 1. Initial Consultation & Property Assessment:** We kick-off with a consultation to understand your property management goals and conduct an on-site assessment to evaluate the property's condition and market position.
 - 2. Tailored Management Plan & Agreement:** We develop a customized property management plan aligned with your objectives and provide a detailed agreement outlining services, fees, and responsibilities.
 - 3. Property Marketing & Tenant Screening:** If required, we employ effective marketing strategies to attract tenants and conduct thorough screening processes to ensure only qualified tenants occupy your property.
 - 4. Rent Collection & Financial Reporting:** We handle rent collection efficiently and provide you with regular financial reports, including income, expenses, and projections to keep you informed of your investment's performance.
 - 5. Maintenance & Repairs:** We coordinate routine maintenance and address repairs promptly, employing a network of trusted contractors to ensure your property remains in excellent condition.
 - 6. Legal Compliance & Documentation:** We ensure that your property adheres to all legal requirements and regulations. We also manage lease agreements, renewals, and any other necessary documentation.
 - 7. Tenant Relations & Conflict Resolution:** Our team serves as the primary point of contact for tenants, addressing their concerns and resolving any issues in a timely and professional manner.
 - 8. Continuous Monitoring & Communication:** We continuously monitor the property and market conditions, and maintain transparent communication with you regarding any developments or recommendations.
