### Trusted Company

**MATOSHI**  
SERVICES

## 1. Initial Consultation & Vision Sharing:

We initiate the renovation journey with a detailed consultation, where we listen to your aspirations, needs, and preferences to fully understand your vision for the space.

## 2. Site Assessment & Measurements:

Our team conducts a thorough on-site assessment and takes measurements to evaluate the space and understand the structural and functional aspects that need attention.

## 3. Design Proposal & Budget Estimation:

We create a tailored design proposal reflecting your vision, and provide a transparent budget estimate that includes all costs, timelines, and milestones.

## 4. Material Selection & Planning:

We guide you through the selection of materials, fixtures, and finishes, ensuring they align with the design goals and budget. We also establish a project timeline and work schedule.

## 5. Renovation Execution:

Our skilled craftsmen meticulously carry out the renovation work, adhering to the highest standards of quality and workmanship. We keep you informed on progress and make any necessary adjustments.

## 6. Quality Checks & Final Touches:

Upon nearing completion, we conduct a series of quality checks and make final touches to ensure every detail is perfect and meets your expectations.

## 7. Client Walkthrough & Handover:

We conclude with a client walkthrough, where we present the transformed space and provide any necessary information on maintenance or care. Your satisfaction is our triumph.

## 8. After-Service Support:

We remain at your service for any post-completion queries or support, ensuring your renovated space continues to thrive and delight.
